INTRODUCTION.

The City has annually since 1821 issued a volume containing, until 1829, a register of the City Council and a list of the officers. In 1829, the City Charter, in 1830, the acts relating to Boston and the ordinances, and in 1832, an index were added. The volume for 1822 contains fifteen pages, and for 1840 eighty-five pages, and three pages of index. The volume up to, and including, 1840 bears the title of The Rules and Orders of the Common Council, and since that year the title of THE MUNICIPAL REGISTER. THE MUNICIPAL REGISTER for 1841 contains the Rules and Orders of the Common Council, joint rules, ordinances of the City, statutes of the Commonwealth relating to the City, a list of the public schools, the city government of 1841, the committees and departments (consisting at that time of the treasury, law, police, health, public land and buildings, lamps and bridges, fire, and public charitable institutions), and a list of the ward officers; from 1842 to 1864, it also contains a list of the members of preceding city governments, a necrological record of these members, the latest ordinances and the special statutes relating to the City; in 1851 a list of the annual orators was added, and in 1853 a map of the City and the rules of the Board of Aldermen were inserted; in 1876 statistics of registration and voting were included, and since 1879 in tabulated form; in 1883 portraits of the Mayor and presiding officers of the two branches of the City Council were included, and in 1888 a list of the members of the past city governments of Roxbury and Charlestown was added, and continued to 1890. From 1889 to 1896, inclusive, THE MUNICIPAL REGISTER contained a compilation of the Charter and Acts subsequently passed, in the place of which an index of said Charter and Acts was substitued in 1897. The Boston charter and index are omitted this year, otherwise THE MUNICIPAL REGISTER of this year is in substantially the form of all other MUNICIPAL REGISTERS since 1889.

By the direction of the Mayor THE MUNICIPAL REGISTER of 1898 has been compiled by the Municipal Statistics Department. Text and tables have been revised, and many printer's and other errors have been corrected.

THE CITY SEAL

As it appeared prior to 1827.

The city seal was adopted by "An Ordinance to Establish the City Seal," passed January 2, 1823, which provides "That the design hereto annexed, as sketched by John R. Penniman, giving a view of the city, be the device of the city seal; that the motto be as follows, to wit: 'Sicut patribus sit Deus nobis;' and that the inscription be as follows: — 'Bostonia condita, A.D. 1630. Civitatis regimine donata, A.D. 1822.'" The motto is taken from 1 King's, viii. 57.

The seal as it then appeared is shown above.

The seal as it was afterwards changed, and has ever since continued to be used, first appeared on page 221 of the volume of laws and ordinances, commonly known as the "First Revision," published in 1827, and is continued on the city seal at the present time by Revised Ordinances of 1898, Chapter 1, Section 5, which provides that "The seal of the city shall be circular in form; shall bear a view of the city; the motto 'Sicut Patribus Sit Deus Nobis,' and the inscription, 'Bostonia Condita, A.D. 1630. Civitatis Regimine Donata, A.D. 1822,' as herewith set forth."

The seal as changed in 1827, and as it has ever since appeared, is shown opposite the title page.

RULES AND ORDERS.

RULES OF THE BOARD OF ALDERMEN.

CHAIRMAN.

Rule 1. The chairman of the board shall take the chair at the hour to which the board shall have adjourned, and shall call the members to order, and, a quorum being present, shall cause the minutes of the preceding regular meeting to be read; and, in the absence of the chairman, the senior member present shall preside as chairman *pro tempore.*

Rule 2. The chairman shall preserve decorum and order, may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the board; and no other business shall be in order until the question on appeal shall have been decided.

Rule 3. The chairman shall propound all motions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that in naming sums and fixing times the largest sum and longest time shall be put first.

Rule 4. The chairman shall, at the request of any member, make a division of a question when the sense will admit.

Rule 5. The chairman shall, without debate, decide all questions relating to priority of business to be acted upon.

Rule 6. The chairman may read sitting, but shall rise to state a motion or put a question to the board.

Rule 7. The chairman shall declare all votes; but if any member doubts a vote, the chairman shall cause a rising vote to be taken; and when any member so requests, shall cause the vote to be taken or verified by yeas and nays.

Rule 8. The chairman shall appoint all committees, fill all vacancies therein, and designate the rank of the members thereof.

Rule 9. When the chairman of the board, or the chairman *pro tempore*, shall desire to vacate the chair, he may call any member to it; but such substitution shall not continue beyond an adjournment.

MOTIONS.

Rule 10. Every motion shall be reduced to writing if the chairman shall so direct.

Rule 11. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment or a motion to strike out and insert.

Rule 12. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

Rule 13. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

1. To a standing committee of the board.
2. To a special committee of the board.
3. To a joint standing committee.
4. To a joint special committee.

Rule 14. After a motion has been put by the chairman, it shall not be withdrawn except by unanimous consent.

Rule 15. When a question is under debate the following motions only shall be entertained, and in the order in which they stand arranged:

1. To adjourn.
2. To lay on the table.
3. To postpone to a day certain.
4. To commit.
5. To amend.
6. To postpone indefinitely.

Rule 16. A motion to adjourn shall be in order at any time, except on an immediate repetition, or pending a verification of a vote; and that motion, the motion to lay on the table, and the motion to take from the table, shall be decided without debate.

READINGS.

Rule 17. Every ordinance, order, and resolution reported by a committee shall, unless rejected, have two several readings, both of which may take place at the same session, unless objection is made. Whenever the second reading immediately follows the first reading, the document may be read by its title only. Orders from the board of street commissioners changing the names of streets, and orders granting locations for poles or posts, shall, however, have one reading only at the same session.

CONFIRMATIONS.

Rule 18. The question confirming a nomination made by the mayor shall be decided by a yea and nay ballot.

RECONSIDERATION.

Rule 19. When a vote has been passed, any member may move a reconsideration thereof at the same meeting; or he may give notice to the clerk, within twenty-four hours of the adjournment, of his intention to move a reconsideration at the next regular meeting; in which case the clerk shall retain possession of the papers until the next regular meeting; and when a motion for reconsideration is decided, that vote shall not be reconsidered.

CONDUCT OF MEMBERS.

Rule 20. Every member when about to speak shall rise, address the chair, and wait until he is recognized, and in speaking shall confine himself to the question and avoid personalities.

Rule 21. No member speaking shall, without his consent, be interrupted by another, except upon a point of order.

Rule 22. No member shall be permitted to vote on any question, or serve on any committee, where his private right is immediately concerned, distinct from the public interest.

Rule 23. Every member who shall be present when a question is put, where he is not excluded by interest, shall give his vote, unless the board for special reasons shall excuse him. Application to be so excused on any question must be made before the board is divided, or before the calling of the yeas and nays; and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

STANDING COMMITTEES.

Rule 24. The following standing committees of the board, to consist of three members each, except where otherwise herein provided, and the members of the joint standing committees on the part of this board, named in the joint rules and orders of the city council, and all other committees, unless otherwise provided for, or specially directed by the board, shall be appointed by the chair:

Committees on Armories and Military Affairs — County Accounts — Electric Wires — Faneuil Hall and County Buildings — Lamps — Licenses — Markets — Railroads. Public Improvements to consist of all the members of the board, and to be divided by the chairman of the committee into the following sub-committees: namely, on Paving Division, Sewer Division, Bridge Division, Sanitary Division, Street-Cleaning Division, Ferry Division.

ORDER OF BUSINESS.

Rule 25. At every regular meeting of the board the order of business shall be as follows:

1. Communications from his honor the mayor.
2. Hearings.
3. Presentation of petitions, memorials and remonstrances.
4. Papers from the common council.

5. Unfinished business of preceding meetings.
6. Orders of notice of hearings.
7. Reports of city officers.
8. Reports of committees.
9. Motions, orders and resolutions.

REPORTS OF COMMITTEES.

RULE 26. Committees of the board, to whom any matter is especially referred, shall report within four weeks, or ask for further time.

EXPENSES OF COMMITTEES.

RULE 27. No money shall be drawn from the city treasury for the purpose of paying the expenses of any committee, or any portion of the same, while absent from the City of Boston, unless authorized by special vote of the board.

SPECTATORS.

RULE 28. No person, except a member of the board, shall be permitted to occupy the seat of any member while the board is in session.

RULE 29. No persons, excepting members of the city council, heads of departments and reporters, shall be allowed in the anteroom of the aldermanic chamber while the board is in session. No person shall be allowed to enter the aldermanic chamber while the board is in session, after the seats furnished for spectators are occupied. The city messenger shall enforce this rule.

LICENSES.

RULE 30. No licenses shall be granted for exhibitions of wrestling.

RULE 31. No permission to erect a pole or post for the support of electric wires or for the construction of underground conduits shall be granted until a public hearing shall have been given by the board of aldermen on the application for such permission, after notice of such hearing duly advertised by the applicant in one or more newspapers.

RULE 32. Every license or permit hereafter granted for the location of a street-railway track, the erection of a pole or post, the construction of an underground conduit, laying of a pipe or wire, or for doing any other work which may involve the disturbance of a surface of a street, shall specify the time within which the contemplated work shall be done, and shall not confer authority to do any such work after the expiration of such specified time.

SUSPENSION OF RULES.

RULE 33. Any rule may be suspended by vote of two-thirds of the members of the board present and voting, except Rule 30, which shall be suspended only by a unanimous vote upon a roll-call.

RULES AND ORDERS OF THE COMMON COUNCIL.

Rule 1. Unless otherwise ordered from time to time the regular meeting of the common council shall be held on every Thursday, at seven forty-five o'clock P.M., and, on the appearance of a quorum, the council shall be called to order. In the absence of the president the oldest senior member present shall take the chair, and a president *pro tempore* shall be chosen by ballot; and, if an election is not effected on the first trial, on subsequent trials a plurality vote shall elect.

The roll shall be called at each meeting of the council, the time of said roll-call to be at the discretion of the president, but not later than nine o'clock.

PRESIDENT.

Rule 2. The president shall appoint and announce all committees, unless otherwise ordered, and shall communicate his appointments to the council at the meeting following such action, if not made during a session. All vacancies upon committees shall be filled in the manner of original appointment; and members so appointed shall take rank according to the date of their appointment, unless otherwise designated by the president.

Rule 3. The president may at any time call another member to the chair; but such substitution shall not continue beyond an adjournment. In all cases the president may vote.

Rule 4. The president may make any rules that he deems proper to preserve order in the council chamber during sessions of the council, and he shall forbid smoking in the council chamber during a session.

CLERK.

Rule 5. The clerk shall keep a record of the acts, votes and proceedings of the common council, and a separate record of all decisions of the chair upon questions of order. He shall have the care and custody of all papers belonging to this branch of the city council; and shall prepare a schedule of business in order for each meeting, in such manner as the president may direct.

He shall draw up and send all messages to the board of aldermen; and shall retain in his possession all papers until the right to file a notice of reconsideration has expired, and if such notice is made he shall keep the papers pertaining thereto until the right of reconsideration has expired.

CONDUCT OF MEMBERS.

Rule 6. Except when otherwise provided, no member shall speak for more than fifteen minutes, and a further equal time if the council so vote. No member shall speak a second time on a question, if another member, who has not spoken, claims the floor.

RULE 7. No member speaking shall be interrupted by another, except upon a point of order.

Every member, while speaking, shall confine himself to the question under debate, and shall refrain from personalities, and shall not refer to any other member of the council except by a respectful designation; and no member shall speak or vote out of his place, without leave of the president.

QUORUM.

RULE 8. Whenever a member raises a doubt of a quorum being present, the chair shall ascertain and declare whether a quorum is present or not. For this purpose he may at his discretion, or on motion sustained by one-fifth of the members present, order the roll to be called. If there is no quorum present, he shall declare the council adjourned.

COMMITTEES.

RULE 9. All matters relating to the election of members shall be referred to the standing committee on elections, which shall consist of five members.

RULE 10. There shall be a standing committee on judiciary, consisting of five members, who shall have the power to obtain the opinion of the corporation counsel on all matters that shall be referred to them.

RULE 11. All committees of this council shall be notified of their meetings by the clerk of committees. They shall not sit during sessions of the council without special leave, nor be called on less notice than twenty-four hours from the time the notices are mailed by the clerk or despatched by special messenger, unless all the members consent; and the clerk shall keep a record of their doings. The member first named shall be chairman, unless otherwise ordered by the committee, in which case the council shall be notified of the change; and the same rule shall apply to the members serving on joint committees.

The absence of a member from three successive, duly called meetings of any committee, except on account of sickness or absence from the city, proved to the satisfaction of the president, shall be deemed a resignation on the part of such member from such committee, and the vacancy caused by the resignation shall be filled by the president at the next meeting of the council.

The clerk of committees shall report at each meeting of the council all resignations effected by the preceding clause.

RULE 12. Special committees of the council shall consist of three members, unless otherwise ordered.

RULE 13. No report of any committee shall be received unless agreed to by such committee at a duly notified meeting thereof. Such report, when presented, may be ordered to be printed, and shall then take its place among the unfinished business for consideration at the next meeting.

COMMITTEE OF THE WHOLE.

RULE 14. When the council shall determine to go into a committee of the whole, the president shall appoint the member who shall take the chair.

RULE 15. The rules of proceedings in the council shall be observed in the committee of the whole, so far as they are applicable; but the previous question shall not be moved, and a motion to rise, report progress, and ask leave to sit again shall be first in order, and shall be decided without debate.

ORDER OF BUSINESS.

RULE 16. At every meeting of the council the order of business shall be as follows:

First. Reading of the records of the preceding meeting, if called for by a majority of the members present.

Second. Messages from his honor the mayor, reports of city officers, and other communications addressed to the council.

Third. Papers from the board of aldermen.

Fourth. Reports of committee on finance.

Fifth. Reports of committees, which shall be called for by divisions in numerical order.

Sixth. Motions, orders, and resolutions. Orders and resolutions shall be read once, and upon motion, referred to their appropriate committees or assigned to the next meeting. If no objection is made, or the rules are suspended, orders and resolutions may at the time they are offered be given a second reading and passed.

Seventh. Unfinished business of preceding meetings.

Eighth. Notices of motions for reconsideration. (See Rule 35.)

Ninth. Motions, orders, and resolutions, which shall take the same course as provided in the sixth section of this rule.

Provided, however, that not more than thirty minutes shall be allowed for the presentation of papers under the sixth order of business. Papers shall be called for by divisions in numerical order, and only one member in a division shall be recognized until each division has been called.

RULE 17. All papers addressed to the council shall be presented by the president, or by a member; and, unless the council shall otherwise determine, they shall be read by the president, or such other person as he may request, and be taken up in the order in which they are presented.

RULE 18. All ordinances, orders and resolutions shall, unless rejected, have two several readings, after each of which debate shall be in order, and they shall then be put on their passage. Whenever the second reading immediately follows the first the document may be read by its title only.

RULE 19. No ordinance and no order or resolution imposing penalties, or authorizing a loan or the expenditure of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document.

MOTIONS.

Rule 20. Every motion shall be reduced to writing, if the president shall so direct, and no other motion shall be entertained until a reasonable time be afforded for compliance with such direction.

Rule 21. In naming sums and fixing times, the largest sum and longest time shall first be put to the question.

Rule 22. When a question is under debate, the president shall receive any of the following motions, but no others:

1. To adjourn.
2. To lay on the table.
3. The previous question.
4. To close debate at a specified time.
5. To assign to a time certain.
6. To amend.
7. To refer to a committee.
8. To refer to another board.
9. To postpone indefinitely.

These several motions shall not be applied to each other, except that the motion to assign, amend, refer, or to close debate at a specified time, may be amended.

When one of these motions has been made, none of the others, inferior to it in precedence, shall be made, and, in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject, different from that under consideration, shall be admitted under color of amendment.

Rule 23. When a matter has been assigned to be taken up at a fixed hour, or at a certain stage of proceedings, such matter shall, at the time appointed, or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member, and take precedence of all other business.

Rule 24. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

A standing committee of the council.
A special committee of the council.
A joint standing committee.
A joint special committee.

Rule 25. A motion to adjourn shall always be in order, provided business of a nature to be recorded on the journal has been transacted since a motion to adjourn was rejected; and such motion shall be decided without debate.

RULE 26. Debate on a call for the previous question, or on a motion to close debate at a specified time, or on a motion to lay on the table, or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

RULE 27. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

PREVIOUS QUESTION.

RULE 28. The previous question shall be put in the following form: "*Shall the main question be now put?*" and all debate upon the main question shall be suspended until the previous question has been decided.

RULE 29. When the previous question is ordered the vote shall be taken upon all pending amendments, and finally upon the main question.

RULE 30. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal no member shall be allowed to speak more than once, without leave of the council.

APPEAL.

RULE 31. No appeal from the decision of the president shall be entertained unless it is seconded; and no motion but to adjourn shall be in order till the question on the appeal has been decided. The question shall be put as follows: "*Shall the decision of the chair stand as the judgment of the council?*" And it shall be deemed to be decided in the affirmative, unless a majority of the votes given are to the contrary.

VOTING.

RULE 32. If the president is unable to decide, or if any member doubts a vote, the president shall cause a rising vote to be taken on the question, without further debate. The president shall appoint two tellers for each division of the council, as fixed by him, who shall agree on a count, and report the result aloud to him.

RULE 33. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present. Every member present shall answer to his name unless excused before the vote is taken.

RULE 34. After the announcement of a vote not taken by yeas and nays, any member may vote for a verification thereof by yeas and nays, and on such motion a debate of the original question, not exceeding five minutes, shall be permitted; and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

RECONSIDERATION.

Rule 35. When a vote has been passed, any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote, or whenever motions are in order; or if any member who is not shown by a yea and nay vote to have voted against the prevailing side, shall give notice to the clerk, before 10 o'clock A.M., of the next day but one following that on which a meeting was held (except the final meeting of the year, or that preceding any adjournment for over two weeks), of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

Rule 36. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

Rule 37. When a motion for reconsideration has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration; nor shall any reconsideration be had upon either of the following motions:

To adjourn.
The previous question.
To lay on the table.
To take from the table.
To close debate at a specified time.

RESCINDING VOTES.

Rule 38. After a vote has been refused a reconsideration, it shall not be rescinded unless two-thirds of the whole number of the members of the common council vote in the affirmative.

ELECTIONS.

Rule 39. All officers receiving any compensation from the city of Boston, who are elected by the city council, shall, unless otherwise ordered, be chosen in this branch by ballot. In all elections by ballot the number of blanks cast shall be reported. Ballots cast for ineligible persons shall be counted and reported, but only for the purpose of ascertaining the whole number of ballots cast. If the person chosen is ineligible the ballot shall be void, and a new ballot be taken.

SEATS OF MEMBERS.

Rule 40. No person, except a member of the council, shall be permitted to occupy the seat of any member while the council is in session. The seats of the members of the council shall be numbered, and shall be determined, in the presence of the council, by drawing the names of members and the number of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so drawn against his name, and shall not change it, except by the permission of the president.

SPECTATORS.

Rule 41. The city messenger shall allow no person upon the floor of the council chamber or in either of the ante-rooms, except members of the city government, heads of departments, and reporters, without the permission of the president; and while the council is in session, no person except members of the city government, heads of departments, and reporters shall be allowed in either of the ante-rooms on the easterly side. The president shall order such accommodations on the floor for reporters and spectators as he shall deem proper; *provided, however*, that no spectators shall be seated behind the members of the council.

Rule 42. The council chamber shall be used for meetings of the council only, unless by special vote of the common council; *provided*, that during the summer recess the president may allow the chamber to be used for public purposes, in all cases reporting his action to the council at its next meeting. The ante-room and large committee room on the east shall be subject to the same rules; except that the president may allow committee meetings to be held therein at times when the council is not in session. The clerk's room shall be assigned to the clerk of the common council for occupancy and use. The ante-room between the council chamber and the clerk's room shall be used during the meetings of the council to give access to the seats on the floor, and for such other purposes as the president may direct; *provided*, that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the city messenger, subject to the direction of the president; but no expenditure of money shall be made except by direct vote of the common council.

PARLIAMENTARY PRACTICE.

Rule 43. The rules of parliamentary practice as contained in Cushing's "Law and Practice of Legislative Assemblies" shall govern this council in all cases to which they are applicable and in which they are not inconsistent with these rules or the joint rules of the city council.

REPEAL.

Rule 44. The foregoing rules shall not be altered, amended, suspended or repealed, at any time, except by the votes of two-thirds of the members of the common council present and voting thereon.

The Trustees of the Public Library of the City of Boston, who are five in number, are appointed by the Mayor, one each year, for a term of five years. They were incorporated by an act of the General Court passed April 4, 1878, and are authorized to receive and hold real and personal estate which may be given, granted, bequeathed or devised to the said corporation, to an amount not exceeding $1,000,000. The first Trustees were appointed under an ordinance of October 14, 1852. The old Library Building on Boylston street was opened to the public in September, 1858, and closed finally in January, 1895. The new Library Building on Copley square was first opened on March 11, 1895. The Library is maintained by an annual appropriation voted out of the general funds of the city by the City Council, about $25,000 of which is used annually for the purchase of books. The Library also holds trust funds aggregating $265,000, the interest of which is devoted to the purchase of books.

The annual reports, the first of which appeared in 1852, have been continued without interruption.

Of the Quarterly Bulletins, which were begun in 1867, fourteen volumes have been published. The series closed in 1896.

A Monthly Bulletin is now issued. The trustees have issued also general and special catalogues of the Central Library, and of its branches and special collections, as well as hand-books for readers, and other documents.

LIBRARY SYSTEM.

The Library system consists of the Central Library in Copley square; ten branch libraries with independent collections of books; seventeen stations, of which eleven contain deposits of books from the Central Library, five contain deposits, reference books and periodicals and are classed as reading-rooms, and one is a delivery station. Excluding the seventeen stations, there were, on February 1, 1898, in the Central Library and Branches, including the evening and Sunday service, 269 employees.

Between the Central Library and these twenty-seven stations, by Library wagons and local expresses, there is a daily exchange of books and cards, whereby persons living in outlying districts can draw books from the Central Library without the necessity of coming in person.

The delivery or deposit of books is also undertaken in five schools, three reformatory institutions and twenty-two fire-company houses.

Cards allowing the use of two books without restriction as to class, for two weeks, are issued to all residents of Boston over twelve years of age, with no further attendant delay than is involved in identification. No guaranty is asked, except in case of a sojourner. For reading and reference the Library is open to all without formality. Special cards for more extended privileges are issued to clergymen officiating in the city, and to teachers giving instruction in Boston institutions of learning; a special card is also issued in certain cases by the Trustees. On February 1, 1898, there were 64,973 card-holders having the right to draw books for home use. The total number of volumes was 698,888; of periodicals currently received, 1,925. Books issued in 1897 for home use, 1,199,658; of reference use, on account of the freedom with which books may be consulted, no adequate statistics are kept.

WORKINGMEN'S LOAN ASSOCIATION.

[Stat. 1888, Chap. 108, § 4.]

The Workingmen's Loan Association is managed by sixteen directors, selected annually, fourteen chosen by corporators at annual meeting on the third Thursday in April, one appointed by the Governor, and one appointed by the Mayor.

Charles C. Jackson, *Director.* Appointed by the Mayor.

NEW WARDS.

New wards were established for the city in the year eighteen hundred and ninety-five, the first division into new wards since the year 1875.[1] An attempt was made by the City Council to make a new division of wards in the year 1885, and an ordinance to that effect was prepared by a special committee appointed for the purpose and passed by the City Council, and approved by the Mayor.[2] Certain questions were raised, however, in the General Court of 1886, relative to establishing State, senatorial and representative districts, and as to whether such districts should be established according to the territorial boundaries of cities and towns and their wards as they existed on the first day of May, 1885, or whether new ward lines, as in the case of the city of Boston, should be followed. On May 21, 1886, the opinion of the Justices of the Supreme Judicial Court was asked by the Legislature on this matter, and they decided that the district divisions referred to must be made according to territorial and other boundaries existing on the first day of May, 1885, and that the new ward divisions were illegal.[3] On account of this decision of the Justices of the Supreme Judicial Court, an act was passed by the Legislature in June, 1886,[4] which provided that the several wards, precincts, and assessment districts of the several cities of the Commonwealth, existing May 1, 1885, should be established as the wards, precincts, and assessment districts of said cities, any acts or ordinances of the city councils of said cities to the contrary notwithstanding. The new division of wards was thus set aside and the ward lines established in 1875 remained in effect until they were changed in 1895, and established under the provisions of Chap. 417, of the Acts of 1893, as follows:

WARD ONE.

Beginning at the intersection of the Harbor Commissioners' line and the division line dividing the property of the Alonzo Crosby heirs and Richard F. Green; thence by the Harbor Commissioners' line to the boundary line between Boston and Chelsea and the boundary line between Boston and Revere and the boundary line between Boston and Winthrop to the shore line of Boston; thence by said line to Front street; thence through the centre of Front street to Marion street; thence through the centre of Marion street to Bennington street; thence through the centre of Bennington street to Central square; thence across Central square to Border street; thence through the centre of Border street to the dividing line between the property of the Alonzo Crosby heirs and Richard F. Green; thence by said line to the point of beginning.

---

[1] An ordinance providing for a new division of the city into wards, passed Nov. 16, 1857. An ordinance to make Breed's Island, so-called, part of Ward 1, passed Dec. 4, 1875. By Chap. 242, of the Acts of 1876, the City Council were directed to divide Ward Twenty-two into two wards to be called Wards 22 and 25. The division was accordingly made by an ordinance passed May 27, 1876.

† Josiah Quincy	Quincy ....Oct. 15, 1859	....	1896–98. –

The election of Mayor for 1845 required eight ballotings by the citizens. At the eighth trial, on the twenty-first of February, Thomas A. Davis was elected. From January to February 27, 1845, William Parker, having been elected Chairman of the Board of Aldermen, performed the duties of Mayor.

On the twenty-second of November Thomas A. Davis died, being the only Mayor who has died in office since the organization of the City Government in 1822. On the eleventh of December, Josiah Quincy, jr., was elected Mayor by the City Council for the unexpired term of 1845. Benson Leavitt acted as Chairman of the Board in the interval between the death of Mr. Davis and the election of Mr. Quincy.

The election of Mayor for 1854 was continued through three ballotings, from December 12, 1853, to January 9, 1854. In the meantime the duties of Mayor were performed by Benjamin L. Allen, Chairman of the Board of Aldermen.

At the municipal election in 1872 William Gaston was certified, by the returns of the officers of the several wards, to have been elected Mayor of the city for the next municipal term. But, upon charges of alleged fraudulent practices in one of the wards of the city, a recount of all the ballots cast at said election was demanded and made; and it appearing therefrom that Henry L. Pierce had seventy-nine plurality, he was declared duly elected Mayor for the year 1873.

In 1873 Henry L. Pierce, Mayor of the city, was elected a member of the Forty-third Congress from the Third Massachusetts District, in place of William Whiting, deceased. Mr. Pierce resigned his office as Mayor on November 29, and took his seat in Congress on December 1, 1873. The duties of the Mayor for the remainder of the municipal year were performed by Leonard R. Cutter, Chairman of the Board of Aldermen.

In 1879 Benjamin Pope died while in office.

In 1880 George E. Bell died while in office.

The junior of Charles E. Folsom was omitted, 1894.

At the municipal election, in 1852, *nine* Aldermen had a majority of ballots; but in accordance with the statute, the eight who had the highest number of votes were declared elected.

The municipal government for 1855 was the first one that was organized under the new or revised city charter, which provided for the annual election of *twelve* Aldermen.

At the municipal election, December 14, 1880, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of fifteen votes over James J. Flynn, and a very slight difference in the number of ballots cast for other candidates who failed of election. A recount of the ballots cast for Mayor and Aldermen was thereupon demanded in legal form. A committee of the Board of 1880, having made the recount, reported December 27 that Mr. Flynn was elected, having received a plurality of votes over Mr. Frost; and Mr. Flynn took the seat at the organization of the board of 1881. Mr. Frost gave notice of his intention to contest the seat of Mr. Flynn and also of Mr. Haldeman, who had received the next greatest number of votes. A committee of the Board of 1881 was appointed to consider the matter, and reported March 14, 1881 (City Document No. 38 of 1881), the majority declaring Mr. Frost entitled to the seat held by Mr. Flynn, with two minority reports. The majority report was accepted March 21, and Mr. Frost took the seat. One peculiar incident in this case was the reception of a numerously signed petition asking the Board to examine and recount the ballots for Messrs. Woolley, Haldeman, and Flynn, sitting members, and Messrs. William Frost, John Thompson, and George S. Dexter, standing next highest on the precinct returns; another was the fact that many ballots were either mislaid or stolen in Precinct 3 of Ward 13 on election day.

At the municipal election, December 13, 1881, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of 154 votes over Charles V. Whitten. On petition, in due legal form, a committee of the Board of 1881 made a recount of the ballots cast for Mayor and Aldermen, and reported that Mr. Whitten was elected over Mr. Frost, and Mr. Whitten took the seat. Mr. Frost contested the seat of Mr. Whitten, and called for a re-examination of the ballots cast. Such examination was made by a new committee, which reported January 17 that William Frost had 19,861 and Charles V. Whitten had 19,825. On January 19, 1882, the seat was awarded to Mr. Frost.

For reports of *contested seats* in the Board of Aldermen, see City Document No. 7 for 1861, and City Document No. 16 for 1862.

At the municipal election, December 12, 1882, the returns of the precinct officers showed Edwin F. Leighton to be elected Alderman by a plurality of 102 votes over Joseph Caldwell. On petition in due legal form a committee of the Board of 1882 recounted the ballots cast for these two candidates, and reported December 26 that Joseph Caldwell appeared to be chosen by a plurality of 14, and that in addition there were found 3 ballots for "——— Caldwell," 1 for "E. F. Leighton," 18 for "F. Leighton," and 11 for "——— Leighton;" also that, "with the exception of the name 'E. F. Leighton,' which was written, the abbreviated names above recited were plainly legible beyond the edges of 'stickers,' or 'pasters,' which covered and concealed the Christian names of Messrs. Caldwell and Leighton, those stickers having been pasted upon an adjoining name, but being of such length as to partly cover the names in question." The committee further reported that there was plainly no intent to cancel the names over which the stickers extended. Mr. Caldwell, who was a member of the Board of 1882, thereupon stated his intention of not appearing to claim a seat in the Board of 1883, and introduced an order, which was passed, declaring that, in the opinion of the Board, the abbreviated ballots should be credited to Mr. Leighton. The Board of 1883, on petition of Mr. Leighton, awarded him the seat at the first meeting, January 1.

The principal successfully contested elections may be summarily described as follows:

(1.) The Common Council, on December 29, 1828, declared vacant the seats of two members (one from Ward 1 and one from Ward 2), because the said members having each accepted another office, viz.: that of Engineer in the Fire Department, were not entitled to their seats.

(2.) On February 22, 1830, the Council vacated the seat of a member from Ward 6, on the ground that "closing the poll before the hour at which the voters were notified it would be closed was a violation of the rights of the voters."

(3.) On May 7, 1835, the Council vacated the seats of the members of Ward 3, who were returned as having been elected at an adjourned meeting, December 11, 1834, on the ground of irregular proceeding, to render the whole number of votes certain by taking the highest number of votes for candidates on each opposing ticket, adjournment of the meeting by the sole authority of the Warden, and other irregularities, at the annual election, December 8.

(4.) On March 7, 1839, the Council vacated the seats of three members of Ward 12, on the ground that a number of illegal voters, sufficient to affect the choice, voted at the polls.

(5.) On January 19, 1843, the Council vacated the seats of three members from Ward 1, returned as elected at the adjourned meeting, December 14, on the ground that four votes for non-resident candidates (after having been first thrown out by the ward officers)[1] were counted at the annual election, December 12, thereby preventing the choice of two other candidates, who, by excluding the said four votes, were by the decision of the Council declared elected, leaving one vacancy.

(6.) On February 27, 1851, the Council vacated the seats of two members from Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held. At a subsequent election the same members were again returned to the Common Council.

(7.) On January 20, 1853, the seats of three members of Ward 3 were declared vacated on the ground that they were chosen at an adjourned meeting which was illegally held.

(8.) On February 3, 1853, in accordance with the Report of the Committee on Elections, the seats of three members from Ward 11 were vacated on the ground that the Mayor and Aldermen had no right to issue warrants for election of members of the Common Council, after the annual election and before the organization of the government-elect. But inasmuch as the elections in question were conducted *bona fide*, and no other informality was apparent, and as this custom of supplementary elections had been in vogue for twenty years, the members thus elected were by the vote of the Common Council declared entitled to their seats.

(9.) On March 19, 1863, in accordance with the Report of the Committee on Elections, the Council vacated the seat of a member from Ward 3 on the ground that at the time of his election he was not an inhabitant of that ward. Before a decision was reached on this point the member in question resigned.

(10.) On April 9, 1863, the Council vacated the seats of the entire delegation from Ward 10, on the ground that more votes were returned than there were persons who voted in that ward at the municipal election, — occasioned by mistake, probably, in the counting of the ballots, — the variation being so great as to affect the election of the whole delegation. At the subsequent election the same members were again returned to the Common Council.

(11.) On January 21, 1867, the seat of a member from Ward 3, who was chosen at an *adjourned meeting* (held on account of a tie-vote at the regular meeting, December 10, 1866), was vacated on the ground that the polls at said adjourned meeting were not kept open the same number of hours as were required by the original warrant. At a subsequent election the same member was returned to the Common Council. (See City Document No. 12, for 1867).

(12.) On January 16, 1868, the seat of a member returned from Ward 10 was vacated, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

(13.) On January 6, 1870, the Council vacated the seat of a member returned from Ward 13, for the same reason as is recited above.

---

[1] This fact was admitted, though not stated in the report of the committee.

(14.) On January 5, 1871, the Council vacated the seat of a member returned from Ward 15, for the same reason as is recited above.

(15.) The Council, on January 18, 1872, vacated the seat of a member returned from Ward 7 for the same reason.

(16.) At the annual municipal election in 1871, Frederick S. Risteen was declared elected as a member from Ward 10. The election was contested by J. Q. A. Brackett, and a recount of the original ballots showed that said Brackett was elected by a plurality of one ballot over F. S. Risteen, and said Brackett was accordingly declared by the Common Council of 1872 to be entitled to the seat. Subsequently Mr. Risteen contested this decision, on the ground that his name was erased from a number of ballots by some one of the ward officers *after* said ballots were deposited by the voters. After a protracted inquiry the Common Council sustained this view of the case, and Mr. Risteen was again returned to his former seat, and was again duly qualified on February 1, 1872. (See City Document No. 18, for 1872.)

(17.) On January 4, 1874, the Council vacated the seat of a member returned from Ward 13, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

(18.) On January 14, 1875, the Council vacated the seat of a member returned from Ward 1, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

(19.) On January 4, 1877, the Council vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

(20.) The Council, on January 10, 1878, vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in that ward, it appeared that another person was chosen.

(21.) The Council, on December 27, 1880 (see records of Board of Aldermen of said date), vacated the seats of one member from each of the following-named wards, *viz.:* 3, 13, 16 and 19, because, from an examination of the original ballots cast in said wards, it appeared that other persons were chosen. From an examination made at the same time of the original ballots cast in Ward 5, it appeared that instead of there being a tie vote for a third member from said ward, three members were duly chosen. Peculiar features of the case in Ward 13 were that some of the ballots undoubtedly deposited by the voters of Precinct 3 of this ward were either mislaid or stolen at the polling-place, and that the Committee of the Board of Aldermen of 1880, who examined the ballots for Common Council in that ward, erroneously reported that the sitting member had been duly elected. (See City Document No. 54, of 1881.)

(22.) On April 14, 1881, the Council vacated the seat of a member returned from Ward 13, as it appeared from inspection of the original ballots that another person was elected.

(23.) In 1887 one seat in the representation of Ward 4 and one in that of Ward 15 were vacated and the contestants declared elected by the Council, the Council exercising its discretion as to the intent of the voter in certain cases of technical irregularity. (See City Documents Nos. 6, 11, of 1887.)

(24.) In 1889 one seat in the representation of Ward 3 and one in that of Ward 12 were vacated and the contestants declared elected by the Council, the intent of the voter in cases of technical irregularity being considered.[1]

The longest continuous service in the City Council is that of David F. Barry, member of the Common Council from 1880 to 1893 (President in 1887, '88, '91, '92, '93), and a member of the Board of Aldermen in 1894, '95, '96 and '97. Eliphalet Williams (President of the Common Council, 1829) served fifteen years, but not consecutively. James J. Flynn served twelve years in the Common Council (President, 1883) and three years in the Board of Aldermen. Thomas Wetmore served eleven years, not consecutively, in the Board of Aldermen.
